

FULL-TIME MATH TEACHER

SALARY RANGE: BASED ON EXPERIENCE

Summary of Position:

Eugenio María de Hostos Charter School is in its 17th year of operation as a K-10 school, serving over 700 students. EMHC offers a dual language program in grades K-2. Our school is fortunate to have staff, students and parents working together to create partnerships for learning. Secondary Math Teachers hold primary responsibility for the implementation of the NYS Mathematics Curriculum and the success of their students.

We are seeking candidates for the following:

- Grade 7 and Grade 8 (current opening)
- Algebra I / Algebra II teachers (2017-2018 school year)
- Pre-Calculus / Calculus teachers (2017-2018 school year)

Responsibilities include:

- Implement curricula and activities to meet academic standards
- Design, implement and utilize assessments to measure progress towards academic standards and adjust instructional practices
- Participate on a grade level team on various activities around curriculum and instruction
- Establish a safe, organized and productive classroom environment
- Hold self accountable for students' mastery of academic standards
- Communicate effectively with students, families, and colleagues
- Participate in weekly common planning time with secondary school staff

EL Education -*The EMHCS secondary program is affiliated with EL Education, formerly Expeditionary Learning.*

Staff in the secondary program understand that they:

- Engage fully in professional development activities and coaching cycles to learn how to effectively implement the Core Practices of EL Education
- Engage and support all students in reaching high expectations for learning and behavior
- Implement crew and other EL structures for establishing a positive classroom environment.
- Participate in monthly community meetings

All employees of the Eugenio María de Hostos are expected to demonstrate:

- A commitment to the vision and mission of the school
- Acceptance, appreciation and respect for cultural diversity
- A commitment to continuous professional growth
- A commitment to work cooperatively and effectively with other staff members
- A sense of flexibility in working with an expanding school
- A commitment and passion for improving the education of children
- The ability to reflect on one's own performance

Requirements:

- Ability to teach Math to students of a diverse age
- Experience and ability to work with small or large groups
- Ability to cope and deal with students
- Must excellent communication skills
- Must show strong observational skills
- Ability to encourage students to learn and succeed
- Ability to maintain productive relations and positive attitude towards students
- Must be able to interact positively with others
- Must be sensitive to each family's values, beliefs, traditions and cultural influences

Education:

- Minimum of Bachelor Degree in Education / Math, experience working with secondary students a plus
- NYS Teacher Certification
- Bilingual – Spanish speaking; not a requirement but a plus
